First Chronicles of Oz: 1900-1910 L. Frank Baum

Lyman Frank Baum penned fourteen novels in his famous Oz chronology. These can be divided into two distinct sections: the First Chronicles of Oz, published between 1900 and 1910, ended when Oz was believed to be “cut off forever from all the rest of the world.” Within this single volume those first six novels are presented in sequence, formatted not only for ease of reading, but to emulate the textual structure of that original publication.
