Justice and Judgement: The Rise and the Prospect of the Judgement Model in Contemporary Political Philosophy (Philosophy and Social Criticism series) Alessandro Ferrara

Justice and Judgement is a comprehensive introduction to theories of judgement in contemporary political and moral philosophy. The book offers a critical examination of judgement in the recent works of Rawls, Habermas, Ackerman, Michelman and Dworkin, including an historical overview of the judgement model in contemporary political philosophy; the function of the constitution; and deliberative democracy. The book concludes with a discussion of universalism and contemporary liberalism and the judgement view of justice.
