My History: A Memoir of Growing Up

Antonia Fraser

My History: A Memoir of Growing Up Antonia Fraser

The acclaimed *New York Times* bestselling author shares vivid memories of her childhood and recalls the experiences that set her on the path to a writing life.

Ever since she received *Our Island Story* by H. E. Marshall as a Christmas present in 1936, Antonia Fraser's deep love of history has been a constant in her remarkable life. The book made such an impression that it inspired her to write *Mary, Queen of Scots* thirty years later.

Born into British aristocracy, the author's idyllic early childhood was interrupted by a wartime evacuation to North Oxford. The relocation had profound effects on her life, not the least of which was her education at a Catholic convent and her eventual conversion from the Protestant faith to Catholicism. Her memories of holidays spent at Dunsany Castle and Pakenham Hall, a stint as "Miss Tony" selling hats in a London department store, and her early days working in publishing are all told in her singular, irresistible voice.

My History is a heartfelt memoir that is also a love letter to a British way of life that has all but disappeared. Anglophiles, history lovers, and *Downton Abbey* fans are sure to be enthralled.

From the Hardcover edition.
