Sand Crab Sentiments Sandy Haney

Could a Christian legitimately be compared to a sand crab? Sandy Haney would say yes for several reasons. Sand crabs spend much of their time near the shore, where the crashing waves are relentless. While sand crabs only move backward, they keep looking forward. And finally, sand crabs burrow into the sand to prevent being washed away by powerful waves but hold on to the shore until the end. Sandy Haney's Sand Crab Sentiments is a collection of inspirational poetry that will encourage even the weariest Christian to keep looking forward and endure to the end. Sandy's passion for the Lord and his Word is evident in her poems about life, death, love, happiness, and everything in between. She has been used as God's pen to bring hope to the hopeless and strength to the weak. Sand Crab Sentiments includes uplifting poems for any situation you may find yourself in, whether delightful or dismal, droll or deep. Immerse yourself in these Sand Crab Sentiments, and you'll soon realize that this crustacean's perspective is one to emulate.
