GOLD DIGGERS...

were flocking to Bodie, California like flies to a corpse—and so were gangs of thieving scum who thought they could strike it rich with a gun instead of an honest claim. Spur rode into Bodie for a friendly visit with an old gunhand, John Trevarow, but his stay became less than pleasant when the town was struck by a gold robbery that left eight men dead. With Trevarow's quick draw rusty with age, Spur found himself alone against the most vicious band of crooks in the West. He needed help, but never expected it from a lovely lady of the evening. Pleasure was Jessica's business—and taking care of Spur's business was her pleasure. If he wasn't too worn out, he'd put the S.O.B.s away forever—or see their bodies rot in hell.
