**Two Exes. One holiday adventure.**

## **Merry Ex-Mas?**

Seventeen-year-old Lila Beckwith's parents just left for vacation, and Lila's all set to throw the holiday party of the season. But when her Christmas-obsessed little brother, Cooper, discovers that global warming is melting the North Pole, he and his best friend, Tyler, take off on a runaway mission to save Santa.

Lila *has* to get Cooper safely home before her parents get back on Christmas Eve. But the only person who can help her is Tyler's older brother, Beau -- a.k.a. Lila's musician, anti-everything ex-boyfriend.

It'll take more than a Christmas miracle for Lila and Beau to overcome their differences and find their fugitive brothers. But could a journey destined for disaster help these polar opposites fall in love...all over again?
