## **Family Home Visiting: Promuovere la salute mentale dei bambini e delle loro famiglie (Psicologia in pratica) (Italian Edition)** Renata Tambelli, Barbara Volpi

Il Family Home Visiting è un intervento domiciliare sulla famiglia che, sulla base delle evidenze empiriche internazionali, si sta diffondendo anche in Italia, con l'obiettivo di sostenere e promuovere la sicurezza dell'attaccamento precoce tra i genitori e il loro bambino. Il presente volume si propone come una versatile guida applicativa che illustra i presupposti teorici dell'intervento tramite la descrizione di moduli e di obiettivi sequenziali alle diverse fasi di sviluppo del bambino con il supporto di esemplificazioni cliniche utili anche ai fini della formazione.
