God Without Being: Hors-Texte, Second Edition (Religion and Postmodernism)

Jean-Luc Marion

God Without Being: Hors-Texte, Second Edition (Religion and Postmodernism) Jean-Luc Marion

Jean-Luc Marion is one of the world's foremost philosophers of religion as well as one of the leading Catholic thinkers of modern times. In *God Without Being*, Marion challenges a fundamental premise of traditional philosophy, theology, and metaphysics: that God, before all else, must be. Taking a characteristically postmodern stance and engaging in passionate dialogue with Heidegger, he locates a "God without Being" in the realm of *agape*, or Christian charity and love. If God is love, Marion contends, then God loves before he actually is.

First translated into English in 1991, *God Without Being* continues to be a key book for discussions of the nature of God. This second edition contains a new preface by Marion as well as his 2003 essay on Thomas Aquinas. Offering a controversial, contemporary perspective, *God Without Being* will remain essential reading for scholars and students of philosophy and religion.

"Daring and profound. . . . In matters most central to his thesis, [Marion]'s control is admirable, and his attunement to the nuances of other major postmodern thinkers is impressive."—*Theological Studies*

"A truly remarkable work."—*First Things*

"Very rewarding reading."—*Religious Studies Review*
