I Blew It!: The biggest mistakes I've made in kids's ministry... and how you can avoid them Brian Dollar

Brian Dollar is one of the most respected kids' pastors in the country, but few people know the path he's taken to learn his most important lessons. In this book, he opens his heart and his life to share his biggest failures. Some of the principles are about ministry philosophy, strategy, and communication, but the most important ones—the lessons that will make you laugh and melt your heart—are about the deeper qualities of fear and hope, pride and humility. As you read this book, trust God to change you from the inside out.
