## **Jesus in the Jewish World** Geza Vermes

Geza Vermes is the greatest living Jesus scholar. In this collection of occasional pieces, he explores the world and the context in which Jesus of Nazareth lived and tells the story of the exploration of first-century Palestine by twentieth-century scholars. Informed by the work of a world-class scholar, the articles in this book open to the general reader the findings of some of the major discoveries of the twentieth century such as the Dead Sea Scrolls. This collection of shorter popular pieces, many of which appeared in *The Times* and other newspapers, makes Vermes' research on Christian origins, the Dead Sea Scrolls and most importantly Jesus the Jew accessible to a wider readership. Geza Vermes is Professor Emeritus of Jewish Studies and Emeritus Fellow of Wolfson College, Oxford but continues to teach at the Oriental Institute in Oxford
