Use this team-centered approach to directly enhance teaching and learning in your school!

First introduced in Japan, lesson study has gained enthusiastic advocates in US educational circles as a powerful, collaborative approach. This "how-to" guide leads a beginning team through the lesson study cycle and provides an experienced team with new perspectives. Using examples from U.S. classrooms, this handbook:

- Encourages educators to generate and share knowledge
- Inspires a teacher-researcher stance
- Illustrates both the process and substance of lesson study
- Encourages collaboration
- Provides guidelines for avoiding common pitfalls
