People, Communication and Organisation: A Case Study Approach (Pergamon international library of science, technology, engineering, and social studies) Joseph Chilver

People, Communication and Organisation: A Case Study Approach is a four-section book that presents case studies detailing problems in business and management. In particular, the book addresses problems centered on human relations, communication, personnel, and industrial relations.

The text will be helpful to students on a variety of business and management courses, particularly those under the auspices of the Business Education Council and the Institute of Commercial Management.
