**Horses of the Dawn (3 Book Series)** Kathryn Lasky

**From Book 1:** Get ready for a wild run in bestselling author Kathryn Lasky's brand-new middle grade animal fantasy series.

The horses are in danger. They were rounded up by the two-legs and forced onto a boat to cross the wide ocean. The journey went badly and the boat was deemed too heavy, so the two-legs forced the horses into the sea and sailed away, leaving the herd to die in the deep.

By a miracle, the horses survived and made it to land. All but one -- the ghost horse, the leader of the pack. Now it's up to her daughter, only a filly, to take charge of the terrified herd. Stranded in a new land, surrounded by two-legs, will the horses find a way to live safe and free?
