Snapshots of Hope is a series of reflections on hope, a timely subject in today's world. Written by an excellent storyteller, this collection features stories of ordinary people trying to find hope in the midst of chaos, challenging times, and everyday living. A little girl, a crossing guard at school, gets a spot where no one ever needs help, so she turns her job into one of waving all at the cars and welcoming everyone as they come to school. An old man who stubbornly sits on a rocking chair in his driveway in the midst of a flooded town gives the rest of the town's residents the courage to come home and start cleaning up. Hope, it would seem, is everywhere, even in the most unlikely places.

Told in a simple and charming voice, Snapshots of Hope will provide inspiration—and a few giggles—for its readers.
