The Legacy of Solomon Asch: Essays in Cognition and Social Psychology

The Legacy of Solomon Asch: Essays in Cognition and Social Psychology

This volume honors Solomon Asch, a pioneer in social psychology whose experiments in this field are considered classic. Asch has made important contributions to the fields of memory, learning and thinking, and perception along with extending Gestalt theories to social psychology research.

Former students and colleagues honor Asch with essays that either expand on his research or describe original research on new topics of related interest. An interesting and informative text for faculty and researchers in the fields of cognition and perception as well as social, experimental, and personality psychology.
