Fight for Your Long Day

Alex Kundera

Fight for Your Long Day Alex Kundera

Fight for Your Long Day is a day-in-the-life satire that follows the eventful unraveling and misadventures of Cyrus Duffleman--"Duffy"-- a portly, down-and-out adjunct instructor who teaches at four urban universities, and then works the night shift as a campus security guard. After a morning of student outbursts, political protests and threats of bodily harm, Duffy witnesses a tide-turning event that would bring most people's day to a halt, only he's too preoccupied to notice. With his overstuffed book bag and perversely cynical thoughts, Duffy battles corruption, staple-wielding zealots and chaos every step of the way. Until the novel's frenzied end, it's anyone's guess who will escape sane--no less alive. Set in the postmodern age of pervasive terror, Alex Kundera's debut novel embodies the American-made irony of being overeducated, overworked and underpaid. The story pace is brisk and would appeal to fans of John Kennedy Toole's *A Confederacy of Dunces*, and Richard Russo's *Straight Man*.
