**LA EDUCACIÓN FUNCIONAL (Memoria y crítica de la Educación) (Spanish Edition)** Édouard Claparède

La educación funcional es un “libro de gracia” puesto que su lectura puede significar un salto cualitativo en las propias concepciones de la educación.

Puede llevar a un replanteamiento profundo de lo que es educar y sobre cuál es el objetivo fundamental de la educación, e incluso de la vida.

Las principales aportaciones de esta obra continúan retando al lector actual. Siguen poniendo a prueba nuestra escala de valores o nuestros prejuicios. Los trabajos de su autor, Édouard Claparède (Ginebra 1873-1940), fueron trascendentales para la fundamentación científica del movimiento de la educación activa. Catedrático de Psicología de la Universidad de Ginebra desde 1908, a causa de las dificultades encontradas entre los sectores más conservadores de su universidad, fundará el Instituto Jean Jacques Rousseau, que constituirá uno de los principales focos difusores de la renovación pedagógica, al que acudirán no pocos de los principales educadores españoles de su tiempo.

Esta obra muestra y demuestra que la educación ha de ser ya una vida para preparar para la vida.
