**Sexo sabio: Cómo mantener el interés sexual en la pareja estable (Spanish Edition) Antoni Bolinches**

**Un valioso manual para reavivar el erotismo en la pareja, para hacer de la relación sexual un constante camino de descubrimiento.**

La convivencia en pareja implica muchas dificultades, ya que en cuanto el vínculo amoroso se consolida empiezan a actuar los tres enemigos del amor: los celos, la rutina y la infidelidad. El problema que subyace a todos ellos es la pérdida del interés sexual.

Esta obra ofrece las claves para mantener la atracción por el objeto amoroso, para reavivar el erotismo en la pareja y para evitar que el deseo se convierta en una obligación y la sexualidad en el débito conyugal. Pretende establecer las pautas del sexo sabio, es decir, un sexo hecho para perdurar y seguir siendo gratificante, un sexo para quienes deseen convivir en amor sin consumir la pasión y para hacer de la relación sexual un camino de descubrimiento constante.
