The stunning conclusion to the Twilight War!

One of the **Forgotten Realms** world's most compelling villains--the Archwizards of Shade--have come down from their flying city with their sights set on the merchant realm of Sembia. They come in the guise of allies, but have invasion and empire as their ultimate aim.

The fate of Sembia may be sealed, but Erevis Cale still has a shocking destiny that will end in his destruction--if he's lucky. This trilogy brings about major changes to the **Forgotten Realms** setting.
