Genna Pierce's life is finally falling into place. Perfect grades? Check. Her choice of scholarship now that basketball recruiters are sniffing around? Check. The hot guy she's crushed on since freshman year finally noticing her? Looks like it'll be a check any day now.

But when a freak accident sidelines Genna, her perfect life starts breaking apart into a million less-than-perfect pieces. No more scholarships. Spiraling grades. And she's sure Jake Butler, her forever crush, will have zero interest in someone as broken as she is.

Except Jake *does* want to stick around. He may have started falling for the girl Genna used to be, but he'll wait for the girl she could become—if she can find enough left in her to pick up the pieces and start again.
