In *A History of Global Consumption: 1500 – 1800*, Ina Baghdiantz McCabe examines the history of consumption throughout the early modern period using a combination of chronological and thematic discussion, taking a comprehensive and wide-reaching view of a subject that has long been on the historical agenda. Supplemented by illustrations in every chapter and ranging in scope from an analysis of the success of American commodities such as tobacco, sugar and chocolate in Europe and Asia to a discussion of the Dutch tulip mania, *A History of Global Consumption: 1500 – 1800* is the perfect guide for all students interested in the social, cultural and economic history of the early modern period.
