Does God *Really* Have Your Best Interest at Heart?

Doubting His holiness? Thinking maybe you shouldn't *completely* surrender to Him, that you're better off in charge of your own life? Well, say hello to the father of these lies: Satan. He's an old pro using the same brilliant, deceptive tactics to harm you every time—unless you dare call his bluff and refuse to ever be his victim again. In *God Can Not Be Trusted (and Five Other Lies of Satan)*, you'll discover how to recognize the devil's six ancient tactics, and claim victory over each one. Your only hope is in the power of Jesus Christ. Because only Christ can conquer Satan. He already has. So flood your mind with truth, and begin to see the lies for what they are. You'll never be duped by them again, free to live abundantly in light of God's truth!

Have You Been Fooled?

God must be out to get me.

I'm better off doing my own thing.

Sure it's a sin, but I can get away with it!

Do you recognize these thoughts? Then you have been fooled. And Satan is laughing.

Because if he can deceive you, he will destroy your state of mind, ruin your relationships, and steal your joy. Do not let him.

Dr. Tony Evans equips you to recognize Satan's conniving tactics and boldly declare his lies for what they are. Winning this game is easier than you may think. And victorious living in light of God's truth is your daily reward!

Story Behind the Book

A common theme emerged as Tony Evans held counseling sessions with countless individuals. People seemed completely unaware of how the spiritual realm was at work in their lives. "They saw clearly with their physical eyes," he says, "but remained unaware of the evil, unseen spiritual activity that either caused or aggravated their physical world. Even in my own life, when I faced challenges or struggles, I would often reference the physical system without first looking at the spiritual cause," says Tony. "Thus this book's message was born to more effectively help people understand and address their struggles from a spiritual point of view."
