Okay, so maybe I've been living in the woods too long, where you can't even get a decent cup of klava first thing in the morning. So who should turn up but Lady Teldra, the courtly servant of my old friend the Dragonlord Morrolan?

Teldra wants my help, because Morrolan and Alieria have disappeared, and according to Sethra Lavode, it looks like they may be in the hands of the Jenoine. Do I want to mess with them? The guys who made this place? And I thought I had problems before...

Oh well, what's a little cosmic battle with beings who control time and space? It's better than hunkering down in the woods without even so much as a drinkable cup of klava.

In *Issola*, Steven Brust delivers another swashbuckling fantasy adventure for Vlad Taltos.
