A practical guide to trading around the commitments of career and family

*Making Money in Forex* will help aspiring traders successfully enter this field while maintaining a job. With this book, author Ryan O'Keefe explains his own personal journey to becoming a trader and shows you how to follow a similar path.

O'Keefe describes his approach to trading and reveals his bargain hunting trading style, which is designed to capitalize on market trends. Throughout the book, O'Keefe pays a great deal of attention to trading psychology, learning to read price instead of indicators, and emphasizes that aspiring traders must find a strategy they are comfortable with and can implement with confidence.

- Addresses how you can successfully trade around the demands of your job and personal life
- Reveals the author's "bargain hunting" style which can be used to reduce risk and maximize profit
- Discusses how common trade management techniques may impact overall performance
- Provides insights into structuring trading to minimize stress

Written in a straightforward and accessible style, *Making Money in Forex* utilizes a conservative approach to trading that will help you build your trading competency over time.
