**From Book 1:**

Stealing the Groom by Sonya Weiss

*Friends don't let friends marry the wrong woman...*

Chad Walker may be a take-no-chances man with a plan, but there's no way Amelia Snyder is going to let her best bud marry Mean Girl #1—even if the wedding is solely so he can secure the controlling shares in his family's company. But free-spirited Amelia's at-the-altar groomnapping scheme takes a surprising turn when she ends up as the blushing bride instead.

Suddenly, with Amelia living in her handsome husband's home—in his bedroom, no less—she starts to reconsider their strictly platonic arrangement. But Chad's always been strictly anti-risk and definitely anti-love, and betting a lifetime of best friendship on the chance at forever might be the biggest gamble of all.
