The Riddle of the Sands (Vintage Classics) Erskine Childers

When Carruthers receives a letter from his friend Davies suggesting a Baltic sailing trip, the vision of a manned yacht, A1 scenery and excellent duck shooting quickly works its charm. But Carruthers hopes for a holiday are quickly dashed. There has been suspicious German activity along the coast. The *Medusa*, manned by the sinister Dollman, has already tried to destroy Davies. What are the Germans up to? Nothing less than a plot to invade Britain. And only these two courageous Englishmen can stop them.

Published in 1903, *The Riddle of the Sands* is considered the first modern spy novel.
