Un lugar donde olvidarte (HQÑ) (Spanish Edition)

J. De La Rosa

Un lugar donde olvidarte (HQÑ) (Spanish Edition) J. De La Rosa

Tras atravesar un episodio difícil en su vida, Elena empieza de cero y emprende su propia búsqueda personal y profesional. Ha decidido reencontrarse a sí misma y desechar la imagen anodina de un pasado incierto y desdibujado. En su nueva lista de deseos se cruzarán Tomás, el magnético y atlético médico que vela por su bienestar, y Alejo, un fotógrafo bohemio que le destapa una familiar, y sin embargo oculta, pasión por la fotografía y las experiencias nuevas. En esa aventura de reconocerse, Elena tropezará una y otra vez con las dos caras de una nueva vida: Tomás y Alejo. La decisión es difícil, pero el amor verdadero, a veces, es como un lugar donde sientes que ya has estado.

"Es una historia preciosa que pasa como una fotografía en blanco y negro, llena de luces y sombras en donde el enfoque que tiene el lector es simplemente perfecto y tiene la oportunidad de conocer esa foto desde el punto de vista del que la tira y del que posa.

No hay trama, ni personaje que se le resista, es un gran conocedor del alma humana. Si alguien dudaba si existe una historia de amor perfecta, es que no ha leído este libro de José de la Rosa."

Soy cazadora de sombras y libros
