Christian Theology and Tragedy: Theologians, Tragic Literature and Tragic Theory (Ashgate Studies in Theology, Imagination and the Arts) Giles Waller

Drawing together leading scholars from both theological and literary backgrounds, *Christian Theology and Tragedy* explores the rich variety of conversations between theology and tragedy. Three main areas are examined: theological readings of a range of tragic literature, from plays to novels and the Bible itself; how theologians have explored tragedy theologically; and how theology can interact with various tragic theories.

Encompassing a range of perspectives and topics, this book demonstrates how theologians can make productive use of the work of tragedians, tragic theorists and tragic philosophers. Common misconceptions – that tragedy is monolithic, easily definable, or gives straightforward answers to theodicy – are also addressed. Interdisciplinary in nature, this book will appeal to both the theological and literary fields.
