Empire (Zombie Novels) David Dunwoody

The year is 2112.

The crippled U.S. government and its military forces are giving up the century-long fight against an undead plague. Born of an otherworldly energy fused with a deadly virus, the ravaging hordes of zombified humans and animals have no natural enemies. But they do have one supernatural enemy: Death himself.

Descending upon the ghost town of Jefferson Harbor, Louisiana, the Grim Reaper embarks on a bloody campaign to put down the legions that have defied his touch for so long. He will find allies in the city's last survivors, and a nemesis in a man who wants to harness the force driving the zombies—a man who seeks to rebuild America into an empire of the dead.

Hailed as “A MACABRE MASTERPIECE OF POST-APOCALYPTIC ZOMBIE GOODNESS” on the Library of the Living Dead podcast, *Empire* brings stunning new twists to a shattering and unforgettable scenario of the not-too-distant future.
