## **Fauna Desplazamientos (Spanish Edition)** Mario Levrero

Ambas habían sido publicadas en 1986 un solo volumen, como en esta oportunidad y se tratan de textos muy esperados por los fanáticos del autor uruguayo.

«Fauna» es el apodo de una mujer exuberante y difícil de olvidar. La historia de un hombre solitario, fuertemente marcado por la parapsicología, cuya rutina y sueños se ven interrumpidos y vulnerados por la aparición de una enigmática mujer, que lo meterá en apuros.

«Desplazamientos» es un relato entrañable sobre el encuentro con la casa de la infancia y todos los fantasmas y cuentas pendientes que aparecen con este movimiento. Y de nuevo, una mujer que tuerce el rumbo de la historia.

Estas dos nouvelles pertenecen a mundos inventados, esos territorios de ensoñación que Levrero maneja como nadie.
