Trapped on a dying planet by friends he trusted, Caleath falls into the hands of his arch-enemy.

Fortunately, viewing rights make the Deathbringer a valuable asset. More torture, better ratings. Nobody suffers as well as he does.

Sent back to Allorn, Caleath is the only one able to stop the invasion of his former Karadorian masters. If he keeps a cool head, accepts the help of those who betrayed him and the power offered by the dead planet's spirit, dare he unleash the ferocious warrior lurking within?

Wrath has been waiting for his chance to take revenge far too long. His time has come--for better or worse.
