Have you ever wanted to knit your very own beach bag? Well, this book will show you what to look for, not only in materials but patterns as well. Knitting your own bag allows for your creativity to be seen by those around you not as a piece of art on the wall but as a functional accessory for your daily use

This book will discuss what a beach bag's needs are broken down into the handle, body and bottom. It also covers the materials that are suggested for each including premade items and how to attach them. It is important to have a clear image in your mind as to what you want, and what you do not. It is also important to know what you need to make your beach bag a success.

The book will present exactly what you need to know about all the components of a beach bag and what logistics need to be considered. There will also be a series of suggestions on places to find a pattern that is appropriate not only for your project, but easy enough that a complete beginner can complete with ease.

Knitting your own beach bag is for those who want a completely customized, personal bag to carry with them to the beach, pool, lake, or any other location of your choosing. These bags are perfect for a statement piece that says "This is who I am! This is what I like!"

Here is what you will learn after reading this book:

- What is a beach bag
- Components: Body, Bottom and Handle
- Materials
- Tips on making a difficult pattern easier
