The recent rulings on gay marriage and debates on family-related issues have placed marriage and family at the forefront of the public eye. More so than at any point in history, we are now confronted with the need to carefully *define* the meaning of *marriage* and *family*.

Professor Andreas Köstenberger and ethics expert David W. Jones speak to the issues at hand and guide us through the fray. Presenting a Christian theology of marriage and parenting, they offer insight on issues such as:

- abortion
- contraception
- infertility
- adoption
- homosexuality
- divorce

*Marriage and Family: Biblical Essentials* points the way to the spiritual solution to our culture's confusion: a return to, and rebuilding of, the biblical foundation of marriage and the family.
