The Master Letters

Lucie Brock-Broido

The Master Letters Lucie Brock-Broido

The title of this richly textured book derives from two of the three mysterious letters left by Emily Dickinson--the ones addressed to "Dear Master." Lucie Brock-Boido has imagined a series of letters echoing devices found in Dickinson's own work. "We feel we are in the presence of something entirely new, " says Bonnie Costello in *The Boston Review*. "Not even Brock-Broido's wonderful first book, **A Hunger**, prepares us for this bold encounter."

From the Trade Paperback edition.
