Abingdon New Testament Commentaries: Jude & 2 Peter Steven J. Kraftchick

The Abingdon New Testament Commentaries series offers compact, critical commentaries on the writings of the New Testament. These commentaries are written with special attention to the needs and interests of theology students, but they will also be useful for students in upper-level college or university settings, as well as for pastors and other church leaders. In addition to providing basic information about the New Testament texts and insights into their meanings, these commentaries exemplify the tasks and procedures of careful, critical exegesis. In this volume of the Abingdon New Testament Commentaries series, Steven J. Kraftchick both studies these two epistles in their late first century context and discusses their relevance to the contemporary Christian church. The author discusses the importance of the insider/outsider language, the harsh polemical tone of both letters, and their reliance upon the Old Testament and both early Jewish and Greco-Roman thought.
