Cross-Border EU Competition Law Actions (Hart Studies in Competition Law) Mihail Danov

This book, written within the framework of a research project funded by the European Commission Civil Justice Programme, identifies the ways in which cross-border EU competition law actions can best be handled in Europe. Employing traditional library-based legal research methods as well as qualitative interviews with legal practitioners in Germany and England (countries sharing different legal traditions) and policy-makers in Brussels, the book considers how private EU competition law actions are functioning at the moment and how they could and should be developed. The study proposes solutions for some of the most pressing practical problems, and includes chapters by the following academics, legal practitioners and judges: Judge I Pelikánová (General Court of the EU); J Lawrence and A Morfey (Freshfields); P Lasok QC (Monckton Chambers); H Mercer QC (Essex Court Chambers); J Webber (Shearman & Sterling); T Reher (CMS Hasche Sigle, Germany); P Bos and J Möhlmann (BarentsKrans, the Netherlands); P Beaumont (Aberdeen); S Bariatti (Milan); G Howells (Manchester); D Fairgrieve (BIICL); J Fitchen (Aberdeen); A Andreangeli (Edinburgh); D Tzakas (Athens Bar, Greece); S Dnes (Sidley Austin, Brussels); F Becker and J Kammin (Kiel University, Germany); and M Danov (Brunel University).
