In a city like Philadelphia, there are only so many ways for a boy from the wrong kind of neighborhood to get a leg up. Each MMA fight in the ring is one step closer to freedom. He was a man who wanted a way out...

Wes Tyler is a fighter. He's been a fighter since he was a little boy. He fights for himself and he fights for the local mafia boss, whatever is required of him. Well, lately, he's feeling like he needs a change and he may just have found it in the form of a pretty little woman working at his favorite bar.

She was a girl with an attitude and a zest for life...

Gabby Mills wasn't born in Philly, but she definitely got there just as fast as she could. She may only be a bartender, but it's a job she loves, as well, and that's even before she meets a handsome, brooding stranger.

Wes and Gabby expect to have a hot night of passion, but things might not turn out as simple as they planned  
AUTHOR'S NOTE: This is a stand-alone story with an HEA, so no cliff-hangers! Story contains mature themes and language, and is intended for 18+ readers only.
