Have you ever wondered how you'd survive without a man to attend to the odd jobs around the house? Have you ever wished you knew how to put up a shelf or check the oil in your car? And, more importantly, not have to call a man round? Then this is the book for you!

From changing a car tyre and checking brake fluid and coolant to building a campfire and making a compost bin, Screw It! features all the traditionally male skills that a woman should learn to make her life that much easier. Divided into sections focusing on vehicle maintenance, the home, the garden and the great outdoors, each task is succinctly explained and accompanied by beautifully illustrated instructions with a traditional feel.

Never again will you need to rely on the man in your life!
