US Army Airborne 1940?90 (Elite) Gordon L. Rottman

The first 50 years of the US Army airborne arm is a story of continuing battles with the nation's enemies, of battles within the Army's hierarchy, of change, and of adaptation. If there is any single attribute the airborne soldier can claim as his most sterling, it is his uncanny ability to adapt ? his flexibility. The very nature of a paratrooper demands this ability to adapt. The motivation and éprit de corps it develops within these units is something not to be taken lightly. The first class pairing of Gordon L. Rottman and Ron Volstad bring to life the history of these remarkable troops.
