Animal Ballistics

Sarah Morgan

Animal Ballistics Sarah Morgan

Sarah Morgan's newest release of poetry, *Animal Ballistics*, is dark and charmingly bizarre. This book has a bone for every body - the regret hounds, the lake sympathizers, the lost who embrace their wilderness. Morgan explores the haunting and dream-like sensory of recalling, navigating the long corridors of loss, the four walls of self and the hilarity of the missing roof. *Animal Ballistics* digs at the root of survival, thoughtfully and comparatively holding it against the definition of "living." *Animal Ballistics* destroys what proof you have about survival... Sarah Morgan's words make one feel as if they should begin to live and love with an originality - a new species of the spirit. -Danny Sherrard "Cast Your Eyes Like Riverstones into the Exquisite Dark"
