Classic Rugby Clangers: Fluffs, fails and foul-ups from the world's rugby pitches David Mortimer

This hilarious collection of stories taken from over 130 years of rugby history recounts some of the moments their perpetrators would rather forget. A relentlessly high-speed game, rugby is particularly prone to crucial split-second tests of human fallibility and eccentricity, and for every player snatching victory at the last gasp there is somebody whose overconfidence or moment of self-doubt leaves the spectator clutching his head in disbelief. And on top of that, rugby players are notorious for their off-the-pitch shenanigans, many examples of which are featured here. Specially updated and revised with brand-new material for the 2015 Rugby World Cup, taking place in England for the first time in over 20 years, this book is a must-buy for the rugby nut in your life.
