Sweet secrets...

It has been almost five years since Shari Drayson graduated college—almost five years since she had her heart broken. Now the only man in her life is her cherished son, Andre. But her life is full, and her family's bakery is about to appear in a baking competition on national TV. Who needs love when you've got pastries?

Sweetest seduction...

When Grant Robinson finally tracks Shari down in Chicago, he expects she will still be beautiful. He expects she will still be smart. What he doesn't expect is her four-year-old son—who looks exactly like him. The wealthy restaurateur is stunned, and his anger wars with passion for the woman he has never truly forgotten. Determined to claim what is his, Grant insists they marry at once. But his bride soon realizes she's at risk for another heartbreak. Can Grant's skillful form of persuasion change her mind and convince her that his love is all she really needs?
