## Ravel: Gaspard De LA Nuit (Alfred Masterwork Edition)

Considered as one of the masterworks of 20th century piano literature, this critical edition utilizes interpretive clues from such noted French pianists and pedagogues as Casadesus, Perlemuter, and Ciampi, who knew Ravel and studied this piece with him. The original Durand score has not been altered, but editorial changes are pointed out as they occur by means of footnotes. Through her expertise in the French piano literature Nancy Bricard has contributed her own ideas in regard to fingering and metronome markings.
