When popular mystery writer Sebastian McCabe agreed to take part in a literary debate in London, he had no clue that he would wind up as both investigator and suspect in the strangest case of his amateur sleuthing career.

Arthur James Phillimore, investment guru to the stars and member of an elite Sherlock Holmes society, steps back into his home to fetch an umbrella one rainy day and is never seen alive again. The mystery is eerily evocative of one of Dr. Watson's most famous untold tales, the disappearance of Mr. James Phillimore. But this Phillimore soon reappears – dead.

Jeff Cody and Lynda Teal, also in London on the second leg of their honeymoon, get swept up in the bizarre case as well. From the home gym of a gorgeous movie star (the second Mrs. Phillimore) to the flying office of an airline entrepreneur, they help McCabe chase down clues all over London. For the journalist Lynda, it's a big story. For Jeff, it's a big distraction from the joys of married life.

Dogging them along the way is the shadow of Sherlock Holmes, the one subject that several of the characters have in common. The great detective is also a figure for whom Lynda – to Jeff's dismay and consternation – evinces a growing fascination. Humor, romance, and mystery once again combine in an engaging McCabe-Cody adventure sure to delight the growing fan base of this series.
