#### The Fruitcake Murders Ace Collins

As Christmas 1946 draws near, thirty-something marine officer-turned-homicide detective Lane Walker has his hands full. Three men with seemingly no relationship to each other have been murdered, including the powerful District Attorney. The only connection between the crimes? The weapons: twenty-year-old unopened fruitcake tins manufactured by a company that is no longer in business.

While some foods may be to die for, fruitcake isn't one of them! This heaping helping of murder will be no easy task for Walker, and he certainly doesn't need the determined and feisty Tiffany Clayton, the political reporter for *The Chicago Star*, getting in the way.

Employing witty dialogue and historical accuracy, *The Fruitcake Murders* offers equal parts murder, mystery, and mayhem in a perplexing whodunit set in the days just after World War II.
