Understanding Word Problems: www.tomsmath.com Tom Owsiak

Besides getting this booklet, you get lifetime access to a library of 500 Math Videos. The link is provided at the end. This booklet shows you many detailed examples of solving basic word problems. Each worked example is followed by a main question, and then, to ensure you truly understand, you have to answer several smaller questions. Knowing the little things along the way is an absolute must if you wish to become a great problem solver, raise your grades, and thereby improve your prospects in school and life. In all there are about 60 small questions, and each one is designed to awaken your imagination because that is where comprehension takes place. This is an exercise book. You can email me at towskiak@yahoo.com if something doesn't seem clear.
