Congregations as Learning Communities: Tools for Shaping Your Future Dennis G. Campbell

In our rapidly evolving religious scene, congregations that are open to continuous learning and willing to respond to external and internal change, will be the ones that achieve new vitality and health. Dennis Campbell describes what those congregations will look like and provides four tools to help a congregation shape its community into what God would have it be. Systems thinking, congregational culture, appreciative inquiry, and scenario planning are explained and illustrated, and readers will be shown how to apply the principles to their setting.
