A crescendo of evil could destroy their perfect harmony.

The Gray Court, Book 5

Oberon is well and truly lost, with no memory of who he is, where he came from, or where he's going. One woman makes his palms sweat and his heart race, a woman with turquoise eyes and a beautiful voice. Instinct tells him she's the only one who can save him.

Cassie knows the truth—he is the High King, her truebond, the one man born to be hers and hers alone. Restoring his memory and keeping him out of the Black Court's clutches is her mission, though success means losing him. Yet to give the world back its High King, she will make that sacrifice.

As soon as Oberon's memory comes crashing back through his mind's closed door, he makes one vow. Though beset by enemies, chased and attacked, he will return to his rightful place with his Queen by his side.

Except when he makes good on his vow, all hell breaks loose. And when Cassie's life is threatened, the fae world will bow before the High King or pay the price in blood.

Warning: This title contains explicit sex, graphic language, fishy shenanigans and royal naughtiness.
