Essence of spiritual teachings: The truth is always simple. Practical and current, Omnec writes about the essence of creation, Soul, and life. This essential third part also contains a new and very precious chapter about the evolution of Souls on Planet Earth.

OMNEC ONEC: "As I was born on the Planet Venus in another dimension and came to your Planet as a young child, I was able to retain the knowledge and information that I had gathered as a Soul through many incarnations and life times. I can keep this information intact, and what I teach people is actually what I KNOW and not what I've read about or what I've heard, but what I have experienced through many different life cycles on Earth and in other dimensions." - "We came as Soul into the polar worlds for only one reason: To have the experiences which will lead us to becoming a conscious co-worker with the Supreme Deity - the REAL LOVE. Real Love is the energy that flows from the creator and supports all forms of life. Without it, nothing can exist. Therefore we are all universal beings and not limited to one existence. There are no limits to love."
