The Wild Boys

William S. Burroughs

The Wild Boys William S. Burroughs

In this funny, nightmarish masterpiece of imaginative excess, grotesque characters engage in acts of violent one-upmanship, boundless riches mangle a corner of Africa into a Bacchanalian utopia, and technology, flesh, and violence fuse with and undo each other. A fragmentary, freewheeling novel, it sees wild boys engage in vigorous, ritualistic sex and drug taking, as well as prankster-ish guerrilla warfare and open combat with a confused and outmatched army.
